

| COURSE_ID | TITLE  | SEMESTER |
|-----------|--|----------|
| ACCT-110  | Accounting I   | Fall     |
| ACCT-111  | Accounting II  | Fall     |
| ACCT-210  | Intermediate Financial Accounting                      | Fall     |
| ACCT-211  | Managerial Accounting                                  | Fall     |
| ACCT-231  | Accounting Information Systems                         | Fall     |
| ACCT-310  | Advanced Financial Accounting                          | Fall     |
| ACCT-312  | Advanced Management and Cost Accounting                | Fall     |
| ACCT-315  | Auditing   | Fall     |
| ACCT-330  | Corporate Law  | Fall     |
| ACCT-360  | Financial Reporting                                    | Fall     |
| ACCT-413  | Advanced Accounting Theory                             | Fall     |
| ACCT-416  | Advanced Auditing                                      | Fall     |
| ACCT-421  | Cyprus Taxation  | Fall     |
| ACCT-437  | Corporate Governance                                   | Fall     |
| ACCT-450  | Performance Management                                 | Fall     |
| ANTH-105  | Cultural Anthropology                                  | Fall     |
| ARCH-101  | Introduction to Architectural Design                   | Fall     |
| ARCH-111  | Introduction to Structures                             | Fall     |
| ARCH-141  | History of Architecture I                              | Fall     |
| ARCH-161  | Fundamentals of Drawing                                | Fall     |
| ARCH-171  | Experiencing Architecture                              | Fall     |
| ARCH-201  | Architectural Design II                                | Fall     |
| ARCH-211  | Structural Mechanics - Statics I                       | Fall     |
| ARCH-251  | Landscape Architecture                                 | Fall     |
| ARCH-261  | Computer Aided Design                                  | Fall     |
| ARCH-301  | Architectural Design IV - Urban Design                 | Fall     |
| ARCH-311  | Construction I (Masonry/Reinforced Concrete)           | Fall     |
| ARCH-321  | Preservation and Restoration of Architectural Heritage | Fall     |
| ARCH-331  | Construction Workshop                                  | Fall     |
| ARCH-341  | History and Theory of the City                         | Fall     |
| ARCH-351  | Contemporary Architects                                | Fall     |
| ARCH-401  | Architectural Design VI                                | Fall     |
| ARCH-411  | Sustainable Design                                     | Fall     |
| ARCH-441  | History and Theory of Sustainable Design               | Fall     |
| ARCH-451  | Rethinking Architecture                                | Fall     |
| ARCH-481  | Architectural Practice and Project Management          | Fall     |
| ARCH-492  | Visualising Urbanity                                   | Fall     |
| ARCH-541  | Thesis   | Fall     |
| ART-110   | Introduction to Visual Arts                            | Fall     |
| ART-111   | Greek Art  | Fall     |
| ART-135   | Fundamentals of Drawing                                | Fall     |
| ART-151   | Painting I   | Fall     |
| ART-195   | Drawing II   | Fall     |
| ART-281   | History of Art   | Fall     |
| ART-290   | Figure Drawing   | Fall     |
| BADM-230  | Business Law   | Fall     |
| BADM-231  | Business Communications                                | Fall     |
| BADM-234  | Organizational Behavior                                | Fall     |
| BADM-332  | Technical Writing and Research                         | Fall     |

|           |  |      |
|-----------|--|------|
| BADM-431  | Research Methods in Business                     | Fall |
| BADM-439  | Senior Simulation in Business                    | Fall |
| BADM-475  | Strategy and Business Policy                     | Fall |
| BENG-060  | English for Beginners                            | Fall |
| BENG-070  | English Language Skills                          | Fall |
| BENG-100  | College English                                  | Fall |
| BENG-100v | College English                                  | Fall |
| BENG-121  | Professional English I                           | Fall |
| BENG-122  | Professional English II                          | Fall |
| BIOL-101  | General Biology I                                | Fall |
| BIOL-102  | General Biology II                               | Fall |
| BIOL-110  | Elements of Biology                              | Fall |
| BIOL-111  | Ανατομία του Ανθρώπου                            | Fall |
| BIOL-111E | Human Anatomy                                    | Fall |
| BIOL-122E | Cell Biology                                     | Fall |
| BIOL-201  | Cell Biology                                     | Fall |
| BIOL-205  | Human Anatomy and Physiology I                   | Fall |
| BIOL-207  | Human Evolution                                  | Fall |
| BIOL-221  | Human Nutrition                                  | Fall |
| BIOL-231  | Biostatistics                                    | Fall |
| BIOL-232  | Human Molecular Genetics                         | Fall |
| BIOL-241  | Immunology                                       | Fall |
| BIOL-301  | Developmental Biology and Human Embryology       | Fall |
| BIOL-303  | Human Biological Variation                       | Fall |
| BIOL-312  | Bioanalytical Techniques and Instrumentation     | Fall |
| BIOL-321  | Biochemistry I                                   | Fall |
| BIOL-322  | Biochemistry II                                  | Fall |
| BIOL-414  | Cell Growth and Cancer                           | Fall |
| BIOL-481  | Viruses and Human Diseases                       | Fall |
| BIOL-491  | Research Project I                               | Fall |
| CHEM-104  | Introduction to Organic and Biological Chemistry | Fall |
| CHEM-105  | General Chemistry                                | Fall |
| CHEM-245  | Organic Chemistry                                | Fall |
| COMM-116  | Audio Production                                 | Fall |
| COMM-117  | Video Production                                 | Fall |
| COMM-125  | Introduction to Journalism                       | Fall |
| COMM-135A | Introduction to Communication Studies            | Fall |
| COMM-190  | Film   | Fall |
| COMM-200  | Business and Professional Communication          | Fall |
| COMM-216  | Radio Production                                 | Fall |
| COMM-218  | Production and Presentation of Radio News        | Fall |
| COMM-223  | Photojournalism                                  | Fall |
| COMM-230G | Voice and Diction - Greek                        | Fall |
| COMM-241  | Communication and Media Research Methods         | Fall |
| COMM-312  | Radio and TV Journalism                          | Fall |
| COMM-321  | Public Relations Principles                      | Fall |
| COMM-322  | Public Relations Methods                         | Fall |
| COMM-395  | PR and the New Media                             | Fall |
| COMM-400  | Media Literacy                                   | Fall |
| COMM-450  | Corporate Communication                          | Fall |

|          |   |      |
|----------|---|------|
| COMP-111 | Programming Principles I                            | Fall |
| COMP-112 | Software Development Lab I                          | Fall |
| COMP-113 | Programming Principles II                           | Fall |
| COMP-150 | Microcomputer Applications                          | Fall |
| COMP-151 | Computer Fundamentals                               | Fall |
| COMP-201 | Systems Analysis and Design                         | Fall |
| COMP-211 | Data Structures                                     | Fall |
| COMP-212 | Object-Oriented Programming                         | Fall |
| COMP-213 | Visual Programming                                  | Fall |
| COMP-254 | Assembly Language Programming                       | Fall |
| COMP-302 | Database Management Systems                         | Fall |
| COMP-321 | Theory of Computation                               | Fall |
| COMP-335 | Computer Organization and Architecture              | Fall |
| COMP-401 | Software Engineering                                | Fall |
| COMP-402 | Advanced Databases                                  | Fall |
| COMP-405 | Artificial Intelligence                             | Fall |
| COMP-412 | Internet Programming                                | Fall |
| COMP-421 | Compiler Design                                     | Fall |
| CVEE-101 | Introduction to Civil and Environmental Engineering | Fall |
| CVEE-151 | Building Construction Principles                    | Fall |
| DANC-111 | Contemporary Dance I: Technique 1                   | Fall |
| DANC-121 | Contemporary Dance I: Technique 2                   | Fall |
| DANC-131 | Ballet I  | Fall |
| DANC-141 | Improvisation I                                     | Fall |
| DANC-175 | Dancers Body: Healthy Practices                     | Fall |
| DANC-211 | Choreography I                                      | Fall |
| DANC-213 | Contemporary Dance III: Technique 1                 | Fall |
| DANC-223 | Contemporary Dance III: Technique 2                 | Fall |
| DANC-233 | Ballet III  | Fall |
| DANC-261 | Jazz Dance I  | Fall |
| DANC-315 | Contemporary Dance V: Technique 3                   | Fall |
| DANC-325 | Contemporary Dance V: Technique 3                   | Fall |
| DANC-335 | Ballet V  | Fall |
| DANC-445 | Approaches to Dance Pedagogy                        | Fall |
| DANC-480 | Dance Methodologies                                 | Fall |
| DES-116  | Fundamentals of 2D Design                           | Fall |
| DES-206  | Graphic Design                                      | Fall |
| DES-226  | Digital Imaging                                     | Fall |
| DES-260  | Photography I                                       | Fall |
| DES-326  | Design for Packaging                                | Fall |
| DES-436  | Research Methodologies in Design                    | Fall |
| ECE-100  | Electric Circuits I                                 | Fall |
| ECE-101  | Electric Circuits I Lab                             | Fall |
| ECE-102  | Electric Circuits II                                | Fall |
| ECE-103  | Electric Circuits II Lab                            | Fall |
| ECE-110  | Digital Systems                                     | Fall |
| ECE-111  | Digital Systems Lab                                 | Fall |
| ECE-210  | Electronics I                                       | Fall |
| ECE-211  | Electronics I Lab                                   | Fall |
| ECE-212  | Electronics II                                      | Fall |

|          |  |      |
|----------|--|------|
| ECE-213  | Electronics II Lab                             | Fall |
| ECE-290  | Numerical Methods Using MATLAB                 | Fall |
| ECE-310  | Digital Integrated Circuits                    | Fall |
| ECE-330  | Signals and Systems                            | Fall |
| ECE-340  | Electromagnetics I                             | Fall |
| ECE-360  | Electric Machines                              | Fall |
| ECE-430  | Digital Signal Processing                      | Fall |
| ECE-492  | Senior Year Project                            | Fall |
| ECON-261 | Principles of Microeconomics                   | Fall |
| ECON-262 | Principles of Macroeconomics                   | Fall |
| ECON-362 | Intermediate Macroeconomics                    | Fall |
| ECON-390 | Mathematics for Economics and Business         | Fall |
| ECON-481 | European Economics                             | Fall |
| ENGL-100 | Basic Writing                                  | Fall |
| ENGL-101 | English Composition                            | Fall |
| ESP-100  | English Terminology for Social Workers I       | Fall |
| ESP-101L | English for Law I                              | Fall |
| EUS-105  | Introduction to the European Union             | Fall |
| EUS-250  | European Institutions and Governance           | Fall |
| FDSC-260 | Food Science and Management Principles and Lab | Fall |
| FDSC-316 | Food Service Systems Management and Lab        | Fall |
| FIN-266  | Managerial Finance                             | Fall |
| FIN-366  | Corporate Finance                              | Fall |
| FIN-410  | Financial Management                           | Fall |
| FIN-440  | Financial Analysis                             | Fall |
| FREN-101 | French Language and Culture I                  | Fall |
| GERM-101 | German Language and Culture I                  | Fall |
| GREK-101 | Greek Language and Culture I                   | Fall |
| HIST-265 | The US and World History Since 1945            | Fall |
| HOSP-100 | Introduction to Hospitality Management         | Fall |
| HOSP-110 | Food and Beverage Management                   | Fall |
| HOSP-320 | Food and Beverage Control                      | Fall |
| IMGT-486 | Quantitative Methods                           | Fall |
| IMGT-488 | Operations Management                          | Fall |
| INT-101  | Introduction to Interior Design                | Fall |
| INT-141  | Fundamentals of Design                         | Fall |
| INT-161  | Representation I                               | Fall |
| INT-201  | Interior II                                    | Fall |
| INT-211  | Materials for Interiors                        | Fall |
| INT-261  | Drafting and Representation III                | Fall |
| INT-301  | Interior IV                                    | Fall |
| INT-311  | Building Services/Integrated Design            | Fall |
| INT-341  | History and Theory of Interior Design          | Fall |
| INT-361  | CAD II   | Fall |
| INT-401  | Interior VI                                    | Fall |
| INT-441  | Final Year Project; Research and Writing       | Fall |
| IREL-101 | Introduction to International Relations        | Fall |
| IREL-102 | World History Since 1500                       | Fall |
| IREL-205 | International Organizations                    | Fall |
| IREL-256 | Political Theory                               | Fall |
