User name: **Passport number (or the same number you used to enroll in the Study Abroad program)**

Key: **2014**

Level: *"if you know your approximate level (up to level 6), please state it; if not, leave level 1"*

Click on **continue**. Read the instructions on how to do the **Multiple Choice Test** and click on **continue**.

The third part is a composition. Read the text and follow the instructions.
